### **Privacy Policy**

As concerns about the protection of personal information are increasing worldwide, it is important that organisations provide their site visitors with information on their privacy policy.

#### **What is a privacy policy?**

A privacy policy is a statement that discloses some or all of the ways a website collects, uses, discloses, and manages the data of its visitors and customers. It fulfills a legal requirement to protect a visitor or client's privacy.

We understand that other countries have their own laws with different requirements per jurisdiction regarding the use of privacy policies. This policy follows that of Wix.com which can be accessed in full below. By using and following the Wix.com Privacy Policy, K&S LHS have sought to follow the legislation relevant to activities within the United Kingdom.
